

STAND GUIDE & PRINT DETAILS

Stand 3 m x 2 m

The dimensions for each stand are 6 m² (3 m wide, 2 m deep), height is 2.50 m or 2.30 m (exceptional heights mentioned in exhibition floor plan).

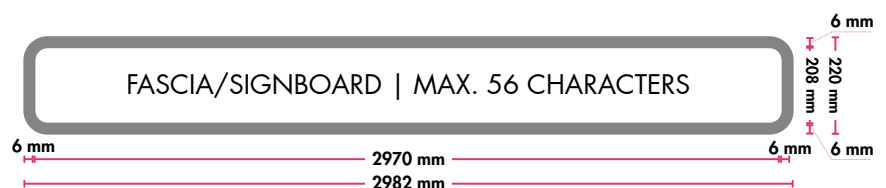

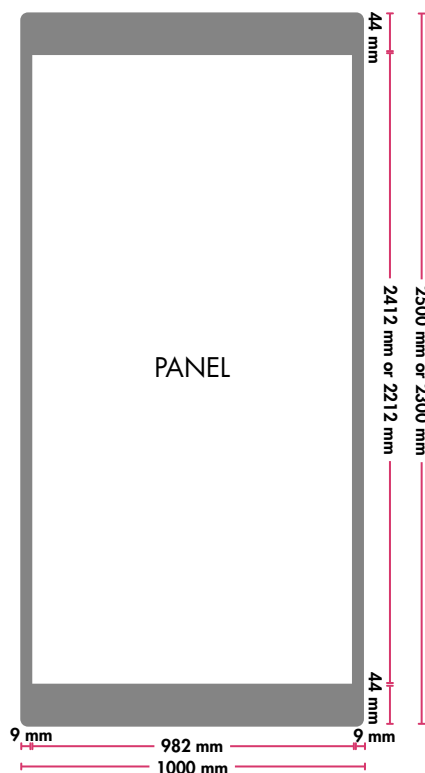

Each standard stand-booking includes:

- Walls towards neighbouring stands (in case of corner stands, walls towards corridor will be removed as standard and put up on request only)
- Walls are made of white laminated panels connected with silver profiles
- 1 set of 2-lighting spots per stand, each light 50 watts
- General lighting in exhibition hall
- 1200 watt power supply per stand
- 3 Schuko sockets per stand
- General aluminium structure in its natural colour
- 1 fascia/signboard facing the gangways, with text
- 1 table (150 cm x 50 cm) and 4 chairs
- Grey carpet
- Floor cleaning (once each day, after trade fair closing hours)
- Build-up and dismantling service

Print
